

Continue ➡  
What helped us move forward?

Weekly  
Collaboration

Having time  
to work  
together  
during class

Planning out  
our weekly  
goals

Dividing up  
the work  
efficiently

Effective  
Communication

Stop 🛑  
What held us back?

Disorganized  
meeting  
times

Having  
different  
schedules

Deciding on  
the right  
sequence of  
tasks

Invent 🤖  
How could we do things differently?

Have set  
meeting  
times

Pair  
Programming

Task  
reviewing

File  
organization

White: Ryan  
Orange: Brandon  
Red: Rohith  
Black: Francisco

Act 🏃  
What should we do next?

Begin epic  
2

Setup  
MongoDB

Design  
searching  
algorithm

Start creating  
questionnaire

Start pair  
programming

Design file  
organization  
system

Set  
meeting  
times
